SUMMER SESSION CLASS SUPPLY POLICY:

We understand that art supplies may be expensive and have prepared lists of affordable supplies for our summer classes, some required and some optional. **Students are responsible for purchasing *required* supplies as listed in the class supply lists**, and bringing those to the first class meeting. New students, or students unfamiliar with the medium, may wish to speak to their instructor prior to purchasing optional supplies, and may call the School Office for assistance with supply purchases.

Some classes require **unconventional materials** (non-art materials, household objects, etc.). Most items can be found easily; however, if you have any difficulty obtaining these materials, do contact the School Office who may be able to recommend an alternative option.

A list of **recommended vendors** (online and local brick-and-mortar stores included) is available on our website at <http://www.danforthart.org/studentinfo/>. We do our very best to keep supply costs to a minimum; however, if you are concerned about the materials listed here, do contact the School Office who may be able to recommend a less expensive alternative.
