Weekly Afterschool and Saturday Art Classes

Nurture your child's creative curiosity and self-expression through art and art-making. In Danforth Art's studio art classes, children will develop an understanding of the elements and principles of art, and will learn skills and techniques in drawing, painting, and sculpture using a variety of 2D and 3D materials. All materials are provided.

ABOUT CLASS/GRADE LEVELS: We understand that children vary in their development widely from grade to grade. We offer classes open to a three-grade range (Grades 1-3, 3-5, and 5-8; Kindergarten only classes also available) so parents/guardians may select which class will best align with their child's developmental level. If you need assistance, please call the School Office at (508)620-0937 or email school@danforthart.org.
